Subject: [epa_bristolbay] EPA posts final peer review report for draft Bristol Bay Watershed Assessment

EPA has posted the final peer review report for the draft Bristol Bay Watershed Assessment. This report contains the recommendations, comments, and suggestions provided by 12 independent peer reviewers and their responses to specific charge questions developed by the Agency with public input.

In August 2012, the peer review panel convened in Anchorage, Alaska to hear directly from the public and discuss the draft Bristol Bay Watershed Assessment. The peer review panel report and information on the Bristol Bay Watershed Assessment are available at www.epa.gov/bristolbay
